ABOUT THIS PRODUCT

Elevate the sophistication and organization of your hotel guest rooms with our Highland Sachet Holder, crafted from luxurious PU leather in an elegant black finish. This refined holder features three generously sized compartments, perfect for neatly storing tea, coffee, sugar, stirrers, and other beverage essentials. Designed with both style and functionality in mind, it is easy to clean and built to withstand the demands of high-end hospitality. With its premium construction and timeless design, this sachet holder is a sleek and functional addition to your beverage station.
