ABOUT THIS PRODUCT

The Highland 9L Double Layer Bin in black combines durability and luxury, making it the perfect choice for high-end hotel guestrooms. Wrapped in premium PU leather and featuring a sleek black steel collar, this bin adds a sophisticated touch to any space. Its sleek black design and sturdy construction ensure safety and longevity, while the rubber base prevents slipping. For easy waste separation, it can be paired with the Thornton Recycling Bin Insert, offering a stylish and sustainable waste management solution.
