ABOUT THIS PRODUCT

The Harrogate Toilet Roll Holder with Cover pairs durable stainless steel construction with a warm brushed brass finish, delivering a refined bathroom essential for premium hospitality environments. Its hinged cover keeps the roll neatly concealed and protected, maintaining a tidy, considered look throughout the guest experience. An open hook design allows for quick, effortless roll replacement, while concealed fixings preserve the holder's clean, flush profile. Practical, hardwearing, and built to last, it's discreet yet sophisticated addition to any guestroom.
